

Protocols for Safe Delivery

The Van has been disinfected already.

EQUIP the van: masks, gloves, spray bottle of diluted cloro, trash bag

The **Masks** will be worn **AT ALL TIMES**.

Gloves and Masks will be worn when drivers are **PICKING UP THE BAGS** at the tiendas and **DURING DELIVERY**.

BEFORE PUTTING THE BAGS IN THE VAN:

- Take a **photo** that shows all of the bags.
 - Spray the bags** with cloro solution
 - Take off the gloves and throw them in the trash bag.
- LOAD** the bags in the Van.

DELIVERY TO HOUSE:

Adhere to **SOCIAL DISTANCING** rules! Stay **TWO METERS** away from all persons!
Place the bag where the family can get it.

TAKE A PHOTO of the delivery and **return to the van** to wait for the family to pick up the bag.

OUTSIDE THE VAN, spray the soles of your shoes. **THEN remove gloves and throw them in the trash bag**. Then get in the van and wait for the family to pick up the bag.

Use the cloro spray and **WIPE THE STEERING WHEEL**

Then **REMAIN IN THE VAN** until basket is retrieved by family.

THEN proceed to the next place.

AFTER ALL DELIVERIES ARE DONE, **SPRAY** the inside of the van and the door handles with cloro.

AT HOME: Remove shoes, spray with cloro and leave outside. Remove clothes and launder immediately or leave out in the sun for several hours and launder later. Keep these clothes separate from other clothes! Then **TAKE A SHOWER**.
